## **As Long As You Love Me**

### **By Backstreet Boys (1997)**

(Although loneliness has always been a friend of mine),

I'm leaving my life in your hands.

People say (I'm crazy and that I am blind),  
risking it all in a glance.

And (how you got me blind) is still a  
mystery.

I can't get you out of my head.

Don't care (what is written in your history)  
(as long as you're here with me).

Chorus

I don't care (who you are),  
(where you're from),  
(what you did),  
(as long as you love me).

(who you are),  
(where you're from),  
Don't care (what you did)  
(as long as you love me).

Every little thing (that you've said and  
done)

feels like (it's deep within me).

Doesn't really matter (if you're on the  
run).

It seems like (we're meant to be).

I don't care (who you are),  
(where you're from),  
(what you did),  
(as long as you love me).

(who you are),  
(where you're from),  
Don't care (what you did)  
(as long as you love me).

I've tried to hide it (so that no one knows).

But I guess (it shows),

(when you look into my eyes).

(What you did) and (where you're coming from)

I don't care

(as long as you love me baby).

**Easy on Me**

**Adele 2021**

There ain't no gold in this river  
(that I've been washin' my hands in  
forever).

I know (there is hope in these waters).

But I can't bring myself to swim.

(When I am drowning in this silence),

baby, let me in.

Go easy on me, baby.

I was still a child.

Didn't get the chance to

feel the world around me.

I had no time to choose

(what I chose to do).

So go easy on me.

There ain't no room for things to change

(when we are both so deeply stuck in our

ways).

You can't deny (how hard I have tried).

I changed (who I was to put you both first).

But now I give up.

Go easy on me, baby.

I was still a child.

Didn't get the chance to  
feel the world around me.

Had no time to choose  
(what I chose to do).

So go easy on me.

I had good intentions  
and the highest hopes.

But I know right now  
(that probably doesn't even show).

Go easy on me, baby.

I was still a child.

I didn't get the chance to  
feel the world around me.

I had no time to choose  
(what I chose to do).

So go easy on me.

It's you (I miss), yeah,

I know (we almost had it all)].

But the time wasn't right.

I should've loved you more.

But there's no going back.

Still I need you to know that.

I'm not (who I was before), no.
