As Long as You Love Me (Backstreet Boys)

Although loneliness has always been a friend of mine
 I'm leaving my life in your hands
 People say I'm crazy and that I am blind
 Risking it all in a glance

How you got me blind is still a mystery
 I can't get you out of my head
 Don't care what is written in you history
 As long as you're here with me

I don't care who you are
 Where you're from
 What you did
 As long as you love me
 Who you are
 Where you're from
 Don't care what you did
 As long as you love me

Every little thing that you have said and done
 Feels like it's deep within me
 Doesn't really matter if you're on the run
 It seems like we're meant to be

I've tried to hide it so that no one knows
 But i guess it shows
 When you look in to my eyes
 What you did and where you're coming from
 I don't care, as long as you love me, baby.
