As Long As You Love Me

By Backstreet Boys (1997)

(Although loneliness has always been a friend of mine),

I'm leaving my life in your hands.

People say (I'm crazy and that I am blind),

risking it all in a glance.

And (how you got me blind) is still a mystery.

I can't get you out of my head.

Don't care (what is written in your history)

(as long as you're here with me).

Chorus

I don't care (who you are),

(where you're from),

(what you did),

(as long as you love me).

(who you are),

(where you're from),

Don't care (what you did)

(as long as you love me).

Every little thing (that you've said and
done)

feels like (it's deep within me).

Doesn't really matter (if you're on the
run).

It seems like (we're meant to be).

I don't care (who you are),

(where you're from),

(what you did),

(as long as you love me).

(who you are),

(where you're from),

Don't care (what you did)
(as long as you love me).

I've tried to hide it (so that no one
knows).

But I guess (it shows),
(when you look into my eyes).
(What you did) and (where you're
coming from)

I don't care
(as long as you love me baby).
