As Long As You Love Me

By Backstreet Boys (1997)

(Although loneliness has always been a friend of mine),

I'm leaving my life in your hands.

People say (I'm crazy and that I am blind),
risking it all in a glance.

And (how you got me blind) is still a
mystery.

I can't get you out of my head.

Don't care (what is written in your history)
(as long as you're here with me).

Chorus

I don't care (who you are),
(where you're from),
(what you did),
(as long as you love me).

(who you are),
(where you're from),
Don't care (what you did)
(as long as you love me).

Every little thing (that you've said and
done)

feels like (it's deep within me).

Doesn't really matter (if you're on the
run).

It seems like (we're meant to be).

I don't care (who you are),
(where you're from),
(what you did),
(as long as you love me).

(who you are),
(where you're from),
Don't care (what you did)
(as long as you love me).

I've tried to hide it (so that no one knows).

But I guess (it shows),

(when you look into my eyes).

(What you did) and (where you're coming from)

I don't care

(as long as you love me baby).

You've Got a Friend in Me (Toy Story) **Randy Newman (1995)**

You've got a friend in me.

You've got a friend in me.

(When the road looks rough ahead
and you're miles and miles from your nice
warm bed),

You just remember (what your old pal
said).

Boy, you've got a friend in me.

Yeah, you've got a friend in me.

You've got a friend in me.

You've got a friend in me.

You got troubles, and I got them, too.

There isn't anything (I wouldn't do for
you).

We stick together; we can see it through

('cause you've got a friend in me).

Yeah, you've got a friend in me.

Some other folks might be a little bit
(smarter than I am).

Bigger and stronger too.

Maybe.

But none of them will ever love you
the way (I do).

It's me and you, boy.

And (as the years go by),
our friendship will never die.

You're gonna see (it's our destiny).

You've got a friend in me.

You've got a friend in me.

You've got a friend in me.
