**Payphone**

**Maroon 5 ft. Wiz Khalifa (2012)**

I'm at a payphone, trying to call home.  
All of my change I spent on you.  
Where have the times gone?  
Baby it's all wrong.  
Where are the plans (we made for two)?

Yeah, I, I know [it's hard to remember  
the people (we used to be)].  
It's even harder to picture  
(that you're not here next to me).  
You say (it's too late to make it).  
But is it too late to try?  
And in our time (that you wasted),  
all of our bridges burned down.

I've wasted my nights.  
You turned out the lights.  
Now I'm paralyzed.

Still stuck in that time (when we **called** it  
love).

But even the sun **sets** in paradise.

I'm at a payphone, trying to call home.

All of my change I **spent** on you.

Where **have** the times **gone**?

Baby it's all wrong.

Where **are** the plans (we **made** for two)?

(If happy ever after **did exist**),

I **would** still **be holding** you like this.

All those fairytales **are** full of sh\*t.

One more fu\*king love song I'll **be** sick.

You **turned** your back on tomorrow,

(cause you **forgot** yesterday).

I **gave** you my love to borrow.

But just **gave** it away.

You can't **expect** me to be fine.

I don't **expect** you to care.

I **know** (I've **said** it before).

But all of our bridges **burned** down.

I've **wasted** my nights.

You **turned** out the lights.

Now I'm **paralyzed**.

Still stuck in that time (when we **called** it love).

But even the sun **sets** in paradise.

I'm **at** a payphone, trying to call home.

All of my change I **spent** on you.

Where **have** the times **gone**?

Baby it's **all** wrong.

Where **are** the plans (we **made** for two)?

(If **happy ever after** did **exist**),

I would still **be holding** you like this.

All those fairytales **are** full of sh\*t.  
One more fu\*king love song I'll **be** sick.

Now I'**m** at a payphone...

I'**m** at a payphone, trying to call home.  
All of my change I **spent** on you.  
Where **have** the times **gone**?  
Baby it'**s** all wrong.  
Where **are** the plans (we **made** for two)?

(If happy ever after did **exist**),

I would still **be holding** you like this.  
All those fairytales **are** full of sh\*t.  
One more fu\*king love song I'll **be** sick.

Now I'**m** at a payphone...

**Reflection**

**Christina Aguilera (1998/2020)**

Look at me.

I will never pass for a perfect bride,  
or a perfect daughter.

Can it be (I'm not meant to play this part)?

Now I see [that (if I were truly to be  
myself),

I would break my family's heart].

Who is that girl (I see),

(staring straight back at me)?

When will my reflection show

(who I am inside)?

I am now,

in a world [where I

have to hide my heart

and (what I believe in)] .

But somehow

I will **show** the world  
(what's **s** inside my heart)  
and **be loved** for (who I **am**).

Who **is** that girl (I **see**),  
(staring straight back at me)?  
Why **is** my reflection  
someone (I don't **know**)?  
Must I **pretend** (that I'm  
someone else for all time)?  
When will my reflection **show**  
(who I **am** inside)?

There's a heart (that must **be**  
free to fly),  
(that **burns** with a need to know  
the reason why).

Why must we all **conceal**

(what we **think**); (how we **feel**)?

Must there **be** a secret me

(I'm **forced** to hide)?

I won't **pretend** (that I'm  
someone else for all time).

When will my reflection **show**

(who I **am** inside)?

When will my reflection **show**

(who I **am** inside)?

**Nothing's Gonna Change My Love for  
You**

**Glen Medeiros (1987) Khali Fang**

**(2009)**

(If I **had** to live my life without you near  
me,)

the days would all **be** empty;  
the nights would **seem** so long.

And with you I **see** forever oh so clearly.  
I might **have been** in love before.  
But it never **felt** this strong.

Our dreams **are** young and we both **know**  
[they'll **take** us (where we **want** to go.)]

**Hold** me now, **touch** me now;  
I don't **want** to live without you

**[Repeat]**

\*Nothing's gonna change my love for you.  
You ought to know by now (how much I  
love you.)

One thing you can be sure of.

I'll never ask for more than your love.

Nothing's gonna change my love for you.  
You ought to know by now (how much I  
love you.)

You'll only change my whole life through.  
Nothing's gonna change my love for you.

(If the road ahead is not so easy,)

our love will lead a way for us,  
just like a guiding star.

I'll be there for you (if you should need  
me.)

You don't **have** to change a thing.

I **love** you just the way (you **are**.)

So **come** with me and **share** the view.

I'll **help** you see forever too.

**Hold** me now, **touch** me now;

I don't **want** to live without you.

**If** 條件副詞子句(**should** 表示萬一可能)

**I'll Always Love You**

**Whitney Houston**

(If I should stay),

I would only be in your way.

So I'll go, but I know

(I'll think of you every step of the way).

And I will always love you.

I will always love you.

You, my darling you. Hmm.

Bittersweet memories,

that is all (I'm taking with me).

So, goodbye. Please, don't cry.

We both know [I'm not (what you, you need)].

And I will always love you.

I will always love you.

(Instrumental solo)

I hope (life treats **you** kind).

And I hope [**you** have all (**you've** dreamed of)].

And I wish **you** joy and happiness.

But above all this, I wish **you love**.

And I will **always love you**.

I will **always love you**.

I will **always love you**.

I will **always love you**.

**You**, darling, I **love you**.

Ooh, **I'll always, I'll always love you**.

## Love Story

### Taylor's Swift (2008)

We were both young (when I first saw

you).

I **close** my eyes, and the flashback **starts**.

I'm **standing** there on the balcony in  
summer air.

**See** the lights.

**See** the party; the ball gowns.

**See** you make your way through the  
crowd and **say**, "Hello!"

Little did I **know** (that you **were** Romeo.)

You **were throwing** pebbles.

My daddy **said**, "**Stay** away from Juliet."

I **was crying** on the staircase,  
begging you, "Please don't **go**."

And I **said**, "Romeo, **take** me somewhere  
(we can **be** alone).

I'll **be waiting**.

All (that's **left** to do) **is** run.

You, **be** the prince, and I'll **be** the princess.

It's a **love story**; baby, just **say**, 'yes'."

So I **sneak** out to the garden to see you.

We **keep** quiet, ['cause we're dead (**if they**

knew)].

So close your eyes.

Escape this town for a little while.

('Cause you were Romeo),

I was a scarlet letter.

And my daddy said, "Stay away from  
Juliet."

But you were everything to me;

I was begging you, "Please don't go."

And I said, "Romeo, take me somewhere  
(we can be alone).

I'll **be** waiting.

All (that's **left** to do) **is** run.

You, **be** the prince, and I'll **be** the princess.

It's a **love story**; baby, just **say**, 'yes'."

"Romeo, **save** me.

They're **trying** to tell me how to feel.

This **love** **is** difficult, but it's real.

Don't **be** afraid; we'll **make** it out of this mess.

It's a **love story**; baby, just **say**, 'yes'."

Well, I **got** tired of waiting, wondering (if you **were** ever **coming** around).

My faith in you **was fading**,  
(when I **met** you on the outskirts of town).

And I **said**, "Romeo, **save** me.

I've **been feeling** so alone.

I **keep** waiting for you, but you never  
**come**.

**Is** this in my head?

I don't **know** what to think."

You **knelt** to the ground and **pulled** out a

ring and **said**, "**Marry** me, Juliet.

You'll never **have** to be alone.

I **love** you, and that's all (I really **know**).

I **talked** to your dad; **go** pick out a white dress.

It's a **love story**; baby, just **say** yes."

We **were** both young (when I first **saw** you)...
