Payphone

Maroon 5 ft. Wiz Khalifa (2012)

I'm at a payphone, trying to call home.

All of my change I spent on you.

Where have the times gone?

Baby it's all wrong.

Where are the plans (we made for two)?

Yeah, I, I know [it's hard to remember
the people (we used to be)].

It's even harder to picture
(that you're not here next to me).

You say (it's too late to make it).

But is it too late to try?

And in our time (that you wasted),
all of our bridges burned down.

I've wasted my nights.

You turned out the lights.

Now I'm paralyzed.

Still stuck in that time (when we called it love).

But even the sun sets in paradise.

I'm at a payphone, trying to call home.

All of my change I spent on you.

Where have the times gone?

Baby it's all wrong.

Where are the plans (we made for two)?

(If happy ever after did exist),

I would still be holding you like this.

All those fairytales are full of sh*t.

One more fu*king love song I'll be sick.

You turned your back on tomorrow,

(cause you **forgot** yesterday).
I **gave** you my love to borrow.
But just **gave** it away.
You can't **expect** me to be fine.
I don't **expect** you to care.
I **know** (I've **said** it before).
But all of our bridges **burned** down.

I've wasted my nights.
You turned out the lights.
Now I'm paralyzed.
Still stuck in that time (when we called it
love).
But even the sun sets in paradise.

I'm at a payphone, trying to call home.
All of my change I spent on you.
Where have the times gone?
Baby it's all wrong.

Where are the plans (we made for two)?

(If happy ever after **did exist**),

I **would** still **be holding** you like this.

All those fairytales are full of sh*t.

One more fu*king love song I'll be sick.

Now I'm at a payphone...

I'm at a payphone, trying to call home.

All of my change I spent on you.

Where have the times gone?

Baby it's all wrong.

Where are the plans (we made for two)?

(If happy ever after **did exist**),

I would still be holding you like this.

All those fairytales are full of sh*t.

One more fu*king love song I'll be sick.

Now I'm at a payphone...

Reflection

Christina Aguilera (1998/2020)

Look at me.

I will never pass for a perfect bride,
or a perfect daughter.

Can it be (I'm not meant to play this part)?

Now I see [that (if I were truly to be
myself),

I would break my family's heart].

Who is that girl (I see),

(staring straight back at me)?

When will my reflection show

(who I am inside)?

I **am** now,
in a world [where I
have to hide my heart
and (what I **believe** in)] .
But somehow
I will **show** the world
(what's **s** inside my heart)
and **be loved** for (who I **am**).

Who **is** that girl (I **see**),
(staring straight back at me)?
Why **is** my reflection
someone (I don't **know**)?
Must I **pretend** (that I'm
someone else for all time)?
When will my reflection **show**
(who I **am** inside)?

There's a heart (that must **be**

free to fly),
(that **burns** with a need to know
the reason why).

Why must we all **conceal**
(what we **think**); (how we **feel**)?
Must there **be** a secret me
(I'm **forced** to hide)?
I won't **pretend** (that I'm
someone else for all time).
When will my reflection **show**
(who I **am** inside)?
When will my reflection **show**
(who I **am** inside)?

**Nothing's Gonna Change My Love for
You**

Glen Medeiros (1987) Khali Fang

(2009)

(If I **had** to live my life without you near
me,)

the days **would** all **be** empty;

the nights **would seem** so long.

And with you I **see** forever oh so clearly.

I might **have been** in love before.

But it never **felt** this strong.

Our dreams **are** young and we both **know**

[they'll **take** us (where we **want** to go.)]

Hold me now, **touch** me now;

I don't **want** to live without you

[Repeat]

*Nothing's gonna change my love for you.
You ought to know by now (how much I
love you.)

One thing you can be sure of.

I'll never ask for more than your love.

Nothing's gonna change my love for you.
You ought to know by now (how much I
love you.)

You'll only change my whole life through.
Nothing's gonna change my love for you.

(If the road ahead is not so easy,)

our love will lead a way for us,
just like a guiding star.

I'll be there for you (if you should need
me.)

You don't **have** to change a thing.
I **love** you just the way (you **are**.)

So **come** with me and **share** the view.
I'll **help** you see forever too.
Hold me now, **touch** me now;
I don't **want** to live without you.

Love Story

Taylor's Swift (2008)

We **were** both young (when I first **saw**
you).

I **close** my eyes, and the flashback **starts**.

I'm **standing** there on the balcony in
summer air.

See the lights.

See the party; the ball gowns.

See you make your way through the crowd and say, "Hello!"

Little did I know (that you were Romeo.)

You were throwing pebbles.

My daddy said, "Stay away from Juliet."

I was crying on the staircase,
begging you, "Please don't go."

And I said, "Romeo, take me somewhere
(we can be alone).

I'll **be** waiting.

All (that's **left** to do) **is** run.

You, **be** the prince, and I'll **be** the princess.

It's a **love story**; baby, just **say**, 'yes'."

So I **sneak** out to the garden to see you.

We **keep** quiet, ['cause we're dead (**if they knew**)].

So **close** your eyes.

Escape this town for a little while.

('Cause you **were** Romeo),

I **was** a scarlet letter.

And my daddy **said**, "**Stay** away from Juliet."

But you **were** everything to me;

I **was begging** you, "Please don't **go**."

And I **said**, "Romeo, **take** me somewhere (we can **be** alone).

I'll **be waiting**.

All (that's **left** to do) **is** run.

You, **be** the prince, and I'll **be** the princess.

It's a **love story**; baby, just **say**, 'yes'."

"Romeo, **save** me.

They'**re trying** to tell me how to feel.

This **love** **is** difficult, but it'**s** real.

Don't **be** afraid; we'll **make** it out of this mess.

It'**s** a **love story**; baby, just **say**, 'yes'."

Well, I **got** tired of waiting, wondering (if you **were** ever **coming** around).

My faith in you **was fading**,
(when I **met** you on the outskirts of town).

And I **said**, "Romeo, **save** me.

I've **been feeling** so alone.

I **keep** waiting for you, but you never **come**.

Is this in my head?

I don't **know** what to think."

You **knelt** to the ground and **pulled** out a ring and **said**, "**Marry** me, Juliet.

You'll never **have** to be alone.

I **love** you, and that's all (I really **know**).

I **talked** to your dad; **go** pick out a white

dress.

It's a **love story**; baby, just **say** yes."

We **were** both young (when I first **saw** you)...
